I apply to be a member of the Marcus Beach Bushcare Association Inc.

I am aware that the Association does not have public liability insurance, as all activities are conducted on Noosa Council reserves or National Parks.

I enclose the \$10.00 membership fee (\$5.00 for half year after 30 December).

I would like to be kept informed about the activities of these working groups:

- The Marcus Beach foreshore weeding group (second Saturday of each month)*
- The Peregrin Creek weeding group (first and third Saturdays of each month)*
- The Marcus section National Park weeding group (first Thursday of each month)*

OR

- I support the aims of the MBBA but do not wish to join a working group.*
