

Native Plants for Your Garden

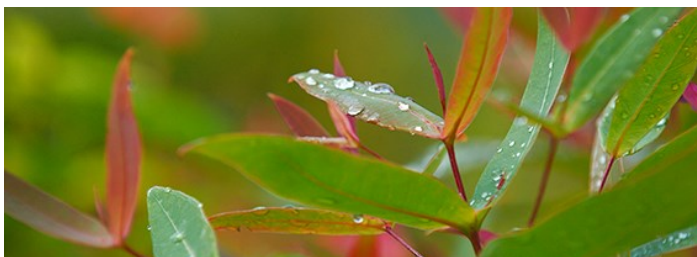

Conducted by **Shaun Walsh**, landscape architect and experienced gardener and experimenter of native plants at his Cooran property

Assisted by **Lyn Harm**, Noosa Landcare propagator & long-term experienced garden enthusiast

- 9 May** **The Best Plants**
What are the hardiest smaller native plants for your local garden? What is the right plant for the right spot?
- 6 June** **Drama in the Native Garden**
What are the best local native plants for adding drama to your garden with texture, forms and colour of foliage and flowers?
- 8 August** **Easy Propagating of Plants for your Garden**
What are the easiest plants to propagate for your native garden?
